ENVIRO FRIENDLY GREEN PRODUCTS

NOWCHEM GOES GREEN!

LAUNCHES SEPTEMBER 2011

We are proud to be launching our Nowchem Green Range of fully BIODEGRADABLE products in September 2011. Our range consists of ingredients sourced from fully plant based materials which pose no risk to you or the environment. There will also be no need to hold dangerous goods and our new range consists of great new formulations and fragrances which need to be seen to be believed.

Products will include:

- Glass Cleaner
- Hard Surface Cleaner
- Washroom Cleaner
- Dishwashing Detergent
- Multi Purpose Cleaner/Degreaser
- Enviro Safe Disinfectant
- Auto Dishmachine Liquid
- Rinse Aid
- Low Foam Scrubber/Extractor Detergent

Environmentally friendly and recycled paper products and hand cleaning products also available. Feel free to ask your representative for a full product brochure.

Supplied by Nowra Chemical Manufacturers

NEW PRODUCTS TO TAKE CARE OF YOUR CLEANING

Euca Clean Washroom Cleaner is a multi functional concentrated product that will both clean, disinfect and deodorize all washroom surfaces. It is also excellent for cleaning stainless steel and porcelain facilities. Euca Clean contains natural eucalyptus oil to help ensure all surfaces stay clean and fresh. Euca Clean is especially thickened to give excellent cling to toilets, urinals and shower surfaces.
