

# PRODUCT INFORMATION SHEET

## DISH MACHINE LIQUID

### PRODUCT DESCRIPTION

Dish Machine Liquid is a highly concentrated alkaline cleaner especially formulated for the cleaning of crockery, glasses and cutlery in automatic dishwashing units. Dish machine liquid contains a descaling agent to help keep your machine sparkling clean, saving you significant time and money.

### DIRECTIONS FOR USE

For best results use in- conjunction with an automatic dispenser. If the dish machine unit is not equipped with an automatic dispenser then the product may be hand dosed. For **initial** fill add 125mls (1/2 cup) per 10L of water into the wash tank. Then to **maintain** add 20ml (1 tablespoon) of liquid every 3 washes.

For best results ensure that the tank is emptied and cleaned at the end of each shift.

For best results use in conjunction with Nowchem Rinse Aid to assist in streak free drying of plates, glassware and cutlery.

### FIRST AID & SAFETY
