White Jasmine
APAF11AJ

Air Freshener

Two delightful fragrances. Only quality perfumes are used in Gala Air Fresheners.

Country Garden has a typically fresh floral scent that suggests a beautiful spring morning, while **White Jasmine** is a more exotic yet subtle fragrance.

Use of micro spray technology ensures the fine spray disperses throughout the room and remains effective for long periods.

Furniture Polish
with **Lemon Oil**
APAT03FP

Furniture Polish

Use of aerosol cuts the effort of waxing. Deposits a fine mist on any timber surface which is easily spread across the surface with a soft cloth. Nurtures, cleans and polishes timber surfaces thanks to addition of lemon oil. Very economical through excellent coverage.

Foaming Carpet Cleaner

Effectively cleans high traffic or heavily soiled areas. Restores the appearance of wool, acrylic, nylon and other synthetics. Safely cleans, deodorizes repels stains. Dries in minutes then vacuum away. Can also be used on many upholstery fabrics.

Stainless Steel Cleaner & Polish

Use on steel fridges, ovens, cook-tops, range hoods, dishwashers, sinks, work benches. Wonderful on chrome steel and aluminium as well as all stainless steel. Leaves metal surfaces streak-free. Cuts fingerprints and oily smudges. Very economical. Only a light spray is sufficient to cover a wide area. Polishes as it cleans.

Stainless Steel Cleaner & Polish

APHT05SS

Chewing Gum Remover

Makes removal of chewing gum from most surfaces a simple process by hardening the gum and making it brittle. Once brittle the gum loses its elasticity and can be chipped off the surface. Dries quickly. Leaves little or no residue or stain. Works well on soft surfaces such as matting and carpets as well as on hard surfaces.

Chewing Gum Remover

APHT04CG

Glass Cleaner

Spray on, wipe off. Removes finger marks and oily dirt with ease. Excellent on all glass – windows, cupboard fronts, mirrors, glass shelves. Also suitable on stainless steel, chrome, laminates, glazed tiles, porcelain, bench tops. Should not be used on tinted windows, painted, lacquered or varnished surfaces.
