

PRODUCT INFORMATION SHEET

CONCENTRATED LEMON DETERGENT

PRODUCT DESCRIPTION

Lemon Detergent is a safe, biodegradable liquid suitable for all household and industrial hand dishwashing of glasses, pots, pans and other utensils. Concentrated Lemon Detergent is high foaming and particularly suitable for all general cleaning, especially where the removal of oil and fats, without the use of specialised cleaning equipment, is necessary. Suitable for use in all hotels, restaurants, clubs and general areas where washing up is required. Lemon Detergent is safe to use on all surfaces and is neutral so will not have any adverse effects on any surfaces.

DIRECTIONS FOR USE

Recommended Dilution: 50mls per 1L of water

Use warm to hot water if available. Scrub or soak the surface to be cleaned. Rinse food contact surfaces with potable water.

FIRST AID & SAFETY

Considered a hazardous product. Avoid contact with eyes. Wear gloves and eye protection when handling. Keep out of reach of children. If swallowed seek medical advice. If poisoning occurs contact a Doctor or the Poisons Information Centre. If swallowed do NOT induce vomiting, give water. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor.

Refer to Safety Data Sheet for more information.
