

PRODUCT INFORMATION SHEET

CONCLEAR

PRODUCT DESCRIPTION

Conclear is an acid based, high foaming detergent which is safe to use on concrete coated surfaces including vehicles, tooling, tiles and other areas where you wish to remove excess concrete and grouts. Conclear is designed to clean concrete by removing mortar to give a clean fresh surface that may then be painted or sealed.

Conclear is also an effective truck wash for concrete trucks, wheelbarrows and paving which has been discoloured. Conclear also contains a rust inhibitor to aid in the reduction of rust spotting often associated with hydrochloric acid based products.

DIRECTIONS FOR USE

Concrete Tooling and Wheelbarrows: Dilute 100mls per 1L of water.

Trucks: Dilute 50mls per 1L of water.

FIRST AID & SAFETY

Class 8 Risk: Corrosive

Considered a hazardous product. Avoid contact with skin and eyes. Wear gloves and eye protection when handling. Keep out of reach of children. If swallowed seek medical advice. If poisoning occurs contact a Doctor or the Poisons Information Centre. If swallowed do NOT induce vomiting, give water. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor. **Refer to Safety Data Sheet for more information.**
