

PRODUCT INFORMATION SHEET

IGOR

PRODUCT DESCRIPTION

IGOR is a highly effective industrial hand cleaner suitable for all workshop and printing environments. IGOR contains a scrubbing agent to give it additional cleaning power to remove ink, grease and oil while using tea tree oil as a natural antibacterial fresh smelling cleaning agent.

DIRECTIONS FOR USE

Recommended Dilution: Use neat

Use undiluted approximately 5-10mls per hand. Scrub in well on both sides of hands, wash well and rinse with water once complete. If irritation occurs, please discontinue use and consult Nowchem or medical advice.

FIRST AID & SAFETY

Product is considered hazardous as product is an eye irritant. Avoid contact with eyes. Keep out of reach of children. If swallowed seek medical advice. If poisoning occurs contact a Doctor or the Poisons Information Centre. If swallowed do NOT induce vomiting. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor.

Refer to Safety Data Sheet for more information.
