

PRODUCT INFORMATION SHEET

SHINE 'N' BRIGHT

PRODUCT DESCRIPTION

Shine 'N' Bright is a silicone polymer product that will leave a protecting coating and shine to all hard surfaces. It will leave a protective coating on items such as tautliner curtains, and concrete mixing bowls. This protective coating will stop road grime from sticking to the surface of a vehicle making it easier to clean. Shine 'N' Bright is perfect for spraying tyres and bumpers to give that fresh detailed look to your vehicle.

DIRECTIONS FOR USE

Recommended Dilution: Use neat

Simply spray on Shine N Bright and Wipe off excess with a damp cloth. Do not use near naked flames as product is flammable until dried.

FIRST AID & SAFETY

Class 3 Risk: Flammable

Considered a hazardous product. Avoid contact with skin and eyes. Wear gloves and eye protection when handling. Keep out of reach of children. If swallowed do NOT induce vomiting and seek medical advice. If poisoning occurs contact a Doctor or the Poisons Information Centre. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor.
