

PRODUCT INFORMATION SHEET

SILICONISED CAR WASH

PRODUCT DESCRIPTION

Siliconised car wash has been especially formulated to leave a protective silicon coating on the surface to protect against dust, grime and pollution. This car wash will remove dirt and oil and leave a shiny finish, especially when wiped over with a chamois after washing. Designed for economical use, car wash is a concentrated formula that will not harm duco or chrome. Siliconised car wash has a beautiful pink appearance and will help bring out the shine on your pride and joy.

DIRECTIONS FOR USE

Recommended Dilution: Dilute 50mls per litre of water

Dilute in a bucket of warm water, apply to car or truck with a sponge or cloth. Rinse foam from car before it dries.

FIRST AID & SAFETY

Considered a hazardous product as product will irritate if contacted with eyes. Wear eye protection when handling. Keep out of reach of children. If swallowed seek medical advice. If poisoning occurs contact a Doctor or the Poisons Information Centre. If swallowed do NOT induce vomiting. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor.

Refer to Safety Data Sheet for more information.
