

PRODUCT INFORMATION SHEET

QUICK BREAK D

PRODUCT DESCRIPTION

Quick Break D has been especially formulated for the removal of heavy fat, grease and oil on surfaces such as metal, concrete, plastic, rubber and aluminium. Quick Break D is a special blend of water soluble solvents and surfactants, with orange oil for a powerful and pleasant smelling cleaner. Highly versatile, Quick Break D can be used as a general cleaner on walls, floors, benchtops, in showers for the removal of body fats and soap scum, food preparation areas to remove grease and oil, as well as trucks and machinery to remove grime and oil. Quick Break D is an excellent water soluble, non-flammable with medium foaming characteristics making it suitable for use through hand pumps and high pressure equipment.

DIRECTIONS FOR USE

Recommended Dilution: 25mls per 1 Litre of water

Suitable as a spray and wipe cleaner for benches, machines and general cleaning such as floors, as well as amenities such as showers and shower screens and hand basins.

Discuss with your sales representative your cleaning requirements as Quick Break D can be diluted up to 100mls per Litre of water.
