

PRODUCT INFORMATION SHEET

NEUTRAL CLEANER

PRODUCT DESCRIPTION

Neutral Cleaner is a low foam, pH neutral detergent cleaner designed for cleaning hard surfaces including floor boards, timber, tiles, vinyl and laminates. Its pH neutral properties allow a gentle clean, so you can remove dirt and grime without damaging precious surfaces. Neutral cleaner can also be used as a 'spray n wipe' for bench and general kitchen cleaning. The low foaming nature of Neutral Cleaner leaves a streak free finish on all surfaces and does not contain any perfumes to reduce irritation and tainting in food areas.

DIRECTIONS FOR USE

Recommended Dilution: 25mls per 1L of water (most effective in warm water).

Spray on or mop surfaces. May be diluted 50mls per 1L if a stronger solution is required.

Do not exceed 50mls per 1L as this may result in tacky surfaces that cause streaking.

For kitchen surface cleaning dilute 50mls per 1L for spray and wipe application.

FIRST AID & SAFETY

Considered a hazardous product as is an eye irritant. Avoid contact with eyes and long term exposure on skin. Wear gloves and eye protection when handling. Keep out of reach of children. If swallowed seek medical advice. If swallowed do NOT induce vomiting, give water. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flush with water for a minimum of 15 minutes. Call a Doctor. **REFER TO SAFETY DATA SHEET FOR FURTHER INFORMATION**

FEATURES & BENEFITS

- Suitable on all floor coverings
- Concentrated formula for economical use
- Fragrance free
- Streak free cleaning

PACK SIZES

5 Litre: NCNC5

20 Litre: NCNC20

Not to be used for any other purpose. Do not mix with other chemicals.
